

Would you like to join our busy team?

Yelverton War Memorial Hall and Field are buzzing these days. With Penmoor Nursery, Tennis, Bowling and Football clubs as well as a full and varied schedule of activities taking place here each week, there is plenty going on.

We have a busy schedule of improvements with rainwater recycling, new doors and windows, a new fitted kitchen and bar upgrade completed over the past few years. We have other plans in the pipeline to ensure that the community will continue to benefit from this great recreational facility.

We need individuals who care about the community to join our Management Committee to help us to take these developments forward and perhaps add a few ideas of their own! If you would like to become involved with the local community and can spare some time to help us to provide a service for the future call **07543 916028** or email contact@yelvertonvillagehall.co.uk to find out more.
